REINSTATE, RESTORE, REBIRTH

2023 LEADERSHIP/WORKERS CONFERENCE

Greetings General Baptist Family and Guest Churches,

2023 marks a year of divine revelation, and as the Body of Christ, we must prepare ourselves to use what God is showing us to be active and engaged in making a difference in the world around us. To that end, we are excited to invite you to the GBCNJ Leadership and Workers Conference on February 4, 2023. This year, our conference will use both plenary speakers and breakout sessions to explore Social Equity issues and the role the Body plays in navigating them. Our focus is ***Re-engaging the Remnant: Calling a New Generation to the Push for Social Justice.***

Christ was revolutionary in His stance on Social Equity; He championed those many saw as less than and called us to exist in a world that provided for the "least of these". Today, we must reckon with a social landscape that constantly seeks to capitalize off the exploitation of marginalized populations, and we must chart a course that allows us to be agents for change in that world. Our keynote speakers, Rev. Dr. Willie Francois, III, and Rev. Dr. Otis Moss, III, will help us to explore the intersection of Faith and Social Justice, while showing us the roles we can all play in the ongoing struggle for change. Also, a special breakout session for Senior Pastors will be facilitated by Rev. Dr. Charles F. Boyer, with additional sessions facilitated by Rev. Dr. Weldon MacWilliams, Rev. Dr. Bernadette Glover, and Rev. Sanetta Ponton. We thank God in advance for your presence on this powerful day of spiritual and social development.
